Westerham Town Centre

Over the Plan period, proposals for Westerham Town Centre should focus on:

1. Being a charming rural town that celebrates its history and that remains a desirable place to live, work and visit;
2. A broadened offer for all age groups and families;
3. Connections to the wider Darent Valley, and improved public realm to create enjoyable streets and spaces; and
4. Meaningful alternatives to car-based travel.

The following potential projects and development opportunities have been identified to help realise the future vision for Westerham Town Centre. For further details of each of these projects, including delivery considerations, please see the Town Centres Strategy.

- a. Improving connections to the countryside – way-finding, paths and sustainable transport connections; and
- b. A better visitor economy ('Sevenoaks – so much more');
- c. High Street streetscape/public realm improvements, where space permits.
