

## Density Examples

To aid in your response to the consultation, and in particular questions on Densities, below are some examples of higher densities in town centre locations and built up areas:

1 Hexagon = 1 Hectare

Density: 150+ DPH

Quinton Court, London Road  
Sevenoaks

Density: 50 DPH

Fircroft Way  
Edenbridge

1 Hexagon = 1 Hectare
